OUR MISSION

To provide young adults with a co-educational, Catholic college preparatory experience based on the teachings of Jesus. Our faith-driven community fosters spirituality and creativity, respects uniqueness and diversity and encourages intellectual, social, physical and artistic development. We commission our students to develop a heightened sense of social responsibility and respect for human dignity based on the values articulated by our founders, the Sinsinawa Dominicans: Truth, Compassion, Justice, Community and Partnership.

GPA COMPUTATION

Grades in all subjects are included in the computation of cumulative grade point average (GPA). Cumulative GPA is computed from semester grades only. Advanced Placement (AP), Dual Enrollment (DE), and specific college level equivalent courses are given an additional weight of 1.0 per semester. Dominican does not replace grades.

DUAL ENROLLMENT PROGRAM

Dominican High School partners with Saint Louis University, Marquette University, and Marian University for a Dual Enrollment Program. This program allows qualified high school instructors to teach the university's curriculum at the high school campus during regular school hours while concurrently earning high school and college credit.

CLASS RANK

Since Dominican High School has a rigorous college preparatory curriculum, a cumulative ranking system does not fairly and accurately represent a student's relative achievement. Therefore, Dominican does not rank its students.
